Re: Revised List of Blocked Individuals and Organizations Pursuant to Executive Order 13224

On September 23, 2001 President Bush issued Executive Order 13224 (the "Order") which prohibits transactions, including real estate transactions, with listed individuals and organizations (the "Blocked List"). The Order provides that the Blocked List may be updated from time to time. On November 7, 2001, President Bush added more names to the Blocked List. The latest version of it is attached. You should not perform any closings for any individual or entity named on the Blocked List. If you are asked to do any work for a named party, please contact the Office of Foreign Assets Control (1-800-540-6322) and let us know as well.

As always, if you have any questions or we can be of further assistance, please contact us in the state office.

Please file this Bulletin behind the Memoranda tab in your South Carolina Supplement.
